

FRIENDS OF THE WOOL MUSEUM OF THE UNIVERSITY OF BEIRA INTERIOR

Friend of the Museum is a manner of cooperating actively with the Museum. The Friends of the Museum cooperate in the cultural activities and, above all, they support the fundraising which contributes to the Museum maintenance (survival), disclosure and growth. Your support is essential for the development and the spread of the Museum exposed collection, as well as, for the promotion of the pedagogic activities.

Every year, the donations of the Friends of the Wool Museum are led to support a specific action, like:
